How do you tell the man you love that you have kept yet *another* secret from him after promising him you confessed everything? *Will this secret destroy her and everything she's work so hard for???* In **LADY JASMINE**, the infamous Jasmine Cox Larson Bush is at it again—battling her past in order to save her future. When Jasmine is blackmailed about a terrible truth from her past that she “forgot” to tell Hosea, more than just her marriage is in jeopardy. She is determined to keep the life she fought so hard to save by any means necessary. Victoria Christopher Murray, an *Essence* magazine bestselling author has written a compelling new novel on love, faith, and shame.
